

## **SOME HELPFUL INFORMATION ABOUT THE COVID-19 LOCKDOWN THAT YOU WON'T HAVE HEARD FROM THE BBC EVENING NEWS**

Dear friend. This document contains valuable alternative resources regarding the monumental lies and deceptions that have been told to us by the Government and the controlled Mainstream Media over the COVID-19 “Pandemic” (which actually isn’t one.) It has been put together by a group of individuals concerned about the loss of our freedoms and natural ways of life.

Please don’t just dismiss this as “conspiracy theory”, but instead consider turning off the TV news and researching these subjects **for yourself**. This will be especially important as and when the Government tries to re-introduce Lockdown measures due to the “second wave” that we’re already being prepared for.

\* Did you know that on 19th March 2020, COVID-19 was NO longer classed as a “High Consequence Infectious Disease” according to the UK Government’s own official website? <https://www.gov.uk/guidance/high-consequence-infectious-diseases-hcid>

\* Lockdown was intended to get us through a three-week emergency period. The emergency has LONG since passed, yet lockdown is still with us. The one-way systems, signs and queuing measures in stores are looking far more than “temporary” measures, and several UK town and city centres are being reconfigured to allow for “distancing,” despite us being told that the virus is on the wane. Don’t you think this all seems very “permanent”?

\* Did you know there is NO scientific data to justify “Social Distancing,” the wearing of face masks, or the screens used in shops?

\* Have you wondered why the Police, Politicians and others in authority do NOT practice Social Distancing themselves, when the official claim is that not doing so could result in death? Health Secretary Matt Hancock was caught on camera hugging colleagues in Parliament. Do you really think he would be so careless if he REALLY believed he would be exposing himself to great danger? <https://www.expressandstar.com/news/uk-news/2020/06/17/matt-hancock-apologises-for-breaking-social-distancing-guidelines-in-parliament/>

\* Were you aware that fewer people in London died in the past few weeks compared to the same period in 2019? In other words, the total death rate is now lower than the average for an ordinary year in the Capital DESPITE the virus! <https://www.dailymail.co.uk/news/article-8425927/London-region-England-deaths-fall-average.html>

\* Do you think it sensible to force EVERYONE into quarantine? Or, would a society built on compassion and common sense seek to isolate the most vulnerable and allow everyone else to go about their business and keep the economy flowing? Virtually the entire world has been put into Lockdown as a result of a threat that, even by official figures, doesn't even amount to 0.5% of the population.

\* Did you know that the "Coronavirus test" returned a positive result for samples from goats and paw-paw fruits?

\* Did you know that Bill Gates, the public face of the vaccination push, is NOT medically qualified? He is NOT a doctor. Why is he being allowed to

advise the world about dealing with COVID-19? He has funded the WHO, the WEF, the United Nations and Imperial College London, and has made billions selling vaccines.

\* Were you aware that it takes several months for a professional TV commercial to be produced, from its initial inception to the time it appear on our screens? Have you wondered how all these businesses declaring “we’re doing all we can to help you during this Coronavirus crisis” were able to get theirs produced so soon after the initial Lockdown announcements? The only explanation is that all these companies had advance knowledge of what was coming long before the general public did.

Please consider how you would feel if the restrictive measures currently in place were here to stay, and were never rolled back. The Government and the corporate and state-owned mainstream media outlets have been provably lying to all of us about this “pandemic.” The changes that have been imposed were never about “keeping us safe,” but are about controlling and surveilling us in ever more restrictive ways, and about removing our natural rights and freedoms for good.

The “second wave” for which we have been subliminally prepared will be used as an excuse to push all of this even further ... UNLESS enough of us accept the truth of what’s REALLY going on and make it clear, in our mass numbers, that we know we have been lied to, and we WILL NOT comply with this tyranny any longer.

The future freedoms of our children and grandchildren rely on all of us making the right decision and standing up for ourselves and them, right now. We won’t get another chance.
